# ENDEAVOR REFER A FRIEND REFERRAL PROGRAM

Refer Friends & Family and you'll earn \$25!\*

Endeavor Communications is grateful for the opportunity to offer its members telephone, high speed internet, television, security & wireless services for your home and business. As a way of saying thanks, we'll give members a \$25\* credit towards your account when you refer any one of these services to your friends, family & co-workers.

Not an Endeavor member? No problem. Refer a new customer and receive a \$25\* payment per referral!

Just fill out the referral form and give them to your friends & family. When they add telephone, internet, television, security or wireless and present the referral form, you'll receive a credit of \$25\*.

\*Certain restrictions apply. Eligibility is limited to new customers who have not had telephone, high speed internet, television, security or wireless service within the last 12 months; or existing customers who add a new service they have not had within the last 12 months. New customer must be in service for two consecutive billing cycles before credit is applied. Allow 4-6 weeks for payment. **New customer must specify at time of service signup that they were referred.** Retroactive credits will not be issued. One \$25 referral credit per new customer is allowed per install date (regardless of number of services taken). Referral program applies to landline telephone, minimum internet speed requirements and availability, basic or premier television, any level of security package and any level of wireless service. New customer is subject to the service agreements required for each service offering. Written referral is required via Endeavor website or print referral form for eligibility.

You can also refer a friend online at [www.weEndeavor.com/refer-a-friend](http://www.weEndeavor.com/refer-a-friend)  
Fill out the online form and hit "Submit". It's just that easy!

## Endeavor Refer A Friend Referral Form
