3. All facilities used to provide residential services to Applicant, including any service protection equipment, installed on the Applicant's premises remain the property of Endeavor and may be removed at the discretion of Endeavor. Applicant hereby authorizes and consents to Endeavor's procurement of such a report and understands that, pursuant to the federal Fair Credit Reporting Act, Endeavor will provide Applicant with a copy of any such report if the information contained in such report is, in any way, to be used in making a decision regarding Applicant's fitness for membership with Endeavor.
